LIFE RESOLUTIONS OPENS GREENSBOROUGH PRACTICE

Life Resolutions® is opening a new counselling centre in Greensborough **today** to cater for the growing demand of quality mental health services in the area.

Life Resolutions® is a growing network of highly-regarded psychology practices located across Melbourne.

Principal Psychologist and Business Associate, **Life Resolutions Greensborough**, Peter Webb, said that he is excited about his partnership with Life Resolutions and looks forward to providing the residents of Greensborough and surrounding areas with quality counselling in a supportive and caring environment.

“There is a growing demand for psychological services in the Greensborough area and I am delighted to be able to assist the community in this way,” Business Associate and Psychologist, Peter Webb said.

Peter says, “Your health and well-being is your greatest asset. Psychological counselling is an excellent way to assist you in working through life problems to enable you to feel happier and more satisfied in yourself and in your relationships.”

Medicare now includes a rebate for psychology services which is great news for the residents of Greensborough and surrounding areas. It means that if you have been referred for counselling by your GP, psychiatrist or pediatrician you will be eligible for a significant rebate from the government.

As of September 2008, people will now be able to receive Medicare rebates immediately into their bank accounts when paying for sessions by cash, EFTPOS or cheque at all **Life Resolutions®** locations.
